Mineral®

FOR MAMMOTH CUSTOMERS

Everything you need, all in one place.

Mineral® is powered by an innovative mix of data, technology and human expertise to help you tackle the most complex HR and compliance challenges. We're bringing the best of Mammoth into a new and improved experience.

What's New?

User experience and navigation	New, modern design and experience, making it easier to find what you need.
Customizable dashboard	Personalized dashboard displays what is most important to you and your company.
Mineral Intelligence™	Stay ahead of the compliance curve with proactive notifications and tangible action items tailored to your business.
To Do List	Easily manage to do's and take action on important notices related to employee handbooks or Mineral Intelligence.
Smart Employee Handbooks	Create and maintain employee handbooks that automatically update as applicable laws and regulations change.
Benefits Document Creator	Quickly create and maintain benefit plan documentation to share with employees and stay compliant with federal laws such as ERISA.
Anonymous Reporting	Empower employees to anonymously report workplace concerns before they become a liability risk.
Compliance Calendar	Keep track of key compliance dates throughout the year.
Job Description Builder	Easily search, customize and save job descriptions.
Learn	Assign and engage employees through the integrated learning management system and e-learning course catalog.
OSHA Log	Step-by-step walkthrough of the required information for recording and submitting reportable workplace incidents.
Salary Compare	Search current compensation rates for thousands of job categories to help make sure you're providing compensation aligned to your market, size and desired experience level.
Support chat	Get immediate in-platform assistance from our Technical Support team.
User assistance	View in-platform walkthroughs and tour guides to help you navigate Mineral.
Mobile responsive experience	Access the mobile-friendly experience anywhere, anytime.

What's Improved?

Export Laws	Compare, download, and share HR compliance state laws for easy reference.
HR Assessment	Identify HR and compliance gaps along with recommended action items on how to improve your score.
Search	Find what you need with improved search and filtering.
Centralized support and Mineral Experts™ cases	Easily track Mineral Experts and technical support questions in a single location. Submit a new question, view current status, and maintain a record of all responses for future reference.
My Favorites	Bookmark the documents and information you use most frequently with My Favorites.
What Matters newsletter	Regular HR and compliance updates straight to your inbox to keep you on top of the changing landscape.
Onboarding emails	Onboarding emails with links to resources and tools to help new users get started with Mineral.

Solutions may not be available to all users. Some features require additional subscription.
